**Section 4
Exercise of Confiscation****Article 56:**

The sales of confiscated properties shall be carried out by the Ministry of Finance and Economy, in conformity with the formality for the sales of state's properties.

Properties obtained by the State from confiscation, shall maintain their same value for settling the payment of lawful debts incurred since before the confiscation by the court or before those properties are delivered to someone to take care of or before other measures for taking care of those properties are carried out.

Appropriate measures to insure the application of the provision of this Article, shall be determined by Sub-decree.

Article: 57:

All funds obtained from confiscation and money from the sales or the rest of money after settling all debts, shall be deposited in a National Fund Cash-box for fighting against drugs which is under the authority of the National Anti-drug Authority.

This National Authority manages to provide the remaining money in the cash-box to those State's organisations or to private associations which were guaranteed that they have their precise specialties in fighting against abuses of drugs or illicit trafficking of drugs or psychotropic substances.

Conditions for the organisation and functioning of the above National Fund, shall be determined by Sub-decree.

**Section 5
Nullification of acts which intended to create obstacles
for the process of confiscation****²⁵Article: 58:**

²⁴ Article 55 (repealed by the Law on the amendment of the Law on the Control of Drugs, which promulgated by Royal Code No. SN/RKM/0505/014 dated on 9 May 2005.

²⁵ Article 58 (repealed by the Law on the amendment of the Law on the Control of Drugs, which promulgated by Royal Code No. SN/RKM/0505/014 dated on 9 May 2005.

Shall be considered as void, all those letters/messages which are made either with payment of fees or with no fees, letters of testament (Wills) or messages made between living persons, even directly or through a third person or messenger indirectly and which have objective to divert properties, in order to prevent them from confiscation measures. Except if there is contradictory evidence, all acts of management or administration of properties shall be considered as those which are carried out intended to divert the properties(to prevent the confiscation), if those acts had been performed from the time of the arrest or upon charges are made against the concerned owners of properties or against the persons from whom the properties are actually received by the owners, for commission any of the offenses as stated in the Articles 31 through 40.

The civil court has competent to make a decision for nullification of those above letters/messages. If the court decides to nullify a sale contract, the money paid for such sale cost is to be returned to the buyer, if upon there is evidence which proves that such buyer had already paid for such sale cost.

Section 6 Suppression of Obstacles to Confiscation

²⁶Article: 59:

Any person, who has known the fact and facilitated or attempted to facilitate to steal back the equipment, materials, substances for manufacturing of drugs, or other objects, resources, and properties that were ordered to be confiscated according to provisions of the Article 51 through 54, shall be punished to imprisonment from 1 (one) year to 5 (five) years, without yet taking into account of due punishment for the conspiracy in the offense as stated in Articles 31 through 40 of this law, if any. In addition to imprisonment, the offender may be liable to a fine from 2,000,000 (two million) riels to 10,000,000 riels.

CHAPTER XV

UNLIMITED PUNISHMENTS

²⁷Article 60:

1. In those cases as provided for in Chapter X, XI, and XII *in articles 93, 97, and 98*, the court may additionally decide:
 - a) to forbid a foreigner from entering into or from living on the territory of Cambodia for forever or for a period of 1 year to 5 years,
 - b) to forbid a foreigner from staying on the territory of Cambodia for a period of 1 year to 5 years,

²⁶ Article 59 (repealed by the Law on the amendment of the Law on the Control of Drugs, which promulgated by Royal Code No. SN/RKM/0505/014 dated on 9 May 2005.

²⁷ Article 60 (repealed by the Law on the amendment of the Law on the Control of Drugs, which promulgated by Royal Code No. SN/RKM/0505/014 dated on 9 May 2005.

- c) to forfeit the citizenship rights for a period 1 year to 5 years but this length of time shall not exceed the length of the punishment term,
 - d) to ban from leaving of the territory of Cambodia and to take away the passports for 1 year to 5 years.
 - e) to ban from driving any kind of vehicles and take away the driving license for a period from 1 month up to 3 years.
 - f) to ban from conducting a profession which he/she committed the offence while during the exercise of such profession forever or for 1 year to 5 years.
2. Those cases which are provided for in the articles 32.1 to articles 36 and articles 37.2 to 40 of this law, the court may make a decision:
- a) to close down for a period of 1 year to 5 years, those places where crime was committed by the businessmen or by conspiracy of the businessmen such as hotel, renting house with movable properties available, place for staying and eating, drinking shop, restaurant, recreation club, dancing club, and entertainment places or branch of those locations or any place opened for public or for use by public, and
 - b) to remove the business authorization for a period of from 1 year to 5 years.

²⁸**Article 61:**

Any person, who violates those prohibitions as provided for in Article 60, shall be punished to imprisonment from 1 (one) year to 5 (five) years, without yet taking into account of those provision of heavier punishment, if any. In addition to imprisonment, the offender may be liable to a fine from 2,000,000 (two million) riels to 10,000,000 riels.

CHAPTER XVI

COMPLEMENTARY MEASURES

²⁹**Article 62:**

If an addicted person is convicted for any of the offenses as provided for in the articles 31 to 41 of this law, the court may, in addition to the punishment, order to take a measure for medical treatment as provided for in the Section 2 of the Chapter 24.

²⁸ Article 61 (repealed by the Law on the amendment of the Law on the Control of Drugs, which promulgated by Royal Code No. SN/RKM/0505/014 dated on 9 May 2005.

²⁹ Article 62 (repealed by the Law on the amendment of the Law on the Control of Drugs, which promulgated by Royal Code No. SN/RKM/0505/014 dated on 9 May 2005.

CHAPTER XVII

SPECIAL PROVISIONS OF PROCEDURE

Section 1 Competence

Article 63:

Courts of the Kingdom of Cambodia have competence to make decisions on offenses:

- when an offense has been committed on the territory of the Kingdom of Cambodia or when an act which is element of the offence was committed on the territory of the Kingdom of Cambodia.
- when the offense has been committed by a khmer citizen or by any person who is permanently living on the territory of the Kingdom of Cambodia.
- when the principal of the offence is staying on the territory of the Kingdom of Cambodia and that principal was yet not been sent to the original country.
- when the offender has committed an offence on board of an airplane which had been registered on the territory of the Kingdom of Cambodia or on board of a ship which raised up with the flag of the Kingdom of Cambodia.
- Except when upon there is an agreement and settlement between the 2 States, when an offense/crime is committed on board of a ship which the State which is owner of the flag has permitted to the Kingdom of Cambodia to order to stop for a check and control and to take appropriate measures for the ship and people on board and cargo ship's, in case when upon finding an evidence that there is involvement in the illicit trafficking of drugs.

Section 2 Term limitation

³⁰Article 64:

³⁰ Article 64 (repealed by the Law on the amendment of the Law on the Control of Drugs, which promulgated by Royal Code No. SN/RKM/0505/014 dated on 9 May 2005.

The term limitation of the offenses as provided for in article 32.1 to article 34 and 39, which the maximum of the offense is over 5 (five), shall be expired after 15 years.

Persons who have legal competencies in the inspection and taking records or in the suppression of offenses/crimes as provided for in the articles from 31 to 46 of this law, shall be authorized to follow up on the postal services at anytime in the day and night, in order to search for the illegal sending of drugs and substances for producing drugs.

When upon there is enough evidence to assume that there is such kind of illegal sending, the prosecutor or investigating judge, if upon such case has already reached him/ her, may require the post office to open such sending packages.

³² Article 67 (repealed by the Law on the amendment of the Law on the Control of Drugs, which promulgated by Royal Code No. SN/RKM/0505/014 dated on 9 May 2005.

³³ Article 68 (repealed by the Law on the amendment of the Law on the Control of Drugs, which promulgated by Royal Code No. SN/RKM/0505/014 dated on 9 May 2005.

Section 4 Searching

³⁴Article 69:

Persons who have competence in the inspection or suppression the offenses/crimes as provided for in articles from 31 to 46 of this law, shall be allowed to carry out searches on physical body of individuals, vehicles, goods, packages, luggage, when there is an indication which may bring forth to a suspicion that there is commission of crime/offenses as provided for in the articles 32.1 to 34 and 98. The body search shall be conducted by a person who has the same sex according to the regulations in vigour.

Section 5 Investigation based on searching technic of medicine

³⁵Article 70:

When there is enough indication to assume that person who crosses the border, has brought hard drugs with him/her by concealing them in his/her body, the public servants who have competence in taking records of the crimes/offenses may place such person under the examination by a doctor or by a medical technical physician who will primarily use a searching technic of medicine, after there is a written agreement from the concerned person. In case of there is no agreement from the concerned person, such public servant shall sue for authorization from prosecutor. This suit can be dispatched by all means. The prosecutor who received the suit can authorize the examination through medical process. The Prosecutor shall appoint a doctor or medical technical physician to proceed the examination immediately. The medical examination result given by the doctor and the opinion of those who are involving in the process of the medical examination, shall be written down in a minutes which must be sent to the Prosecutor.

Any person, who refuses to be examined by the doctor following the order of the prosecutor, shall be punished to imprisonment from 1 (one) month to 1 (one) year or fine penalty from 200,000 (two hundred thousand) riels to 2,000,000 (two million) riels.

Section 6 Delivery under supervision of currencies and instruments which have affects on currencies

³⁶Article 71:

³⁴ Article 69 (repealed by the Law on the amendment of the Law on the Control of Drugs, which promulgated by Royal Code No. SN/RKM/0505/014 dated on 9 May 2005.

³⁵ Article 70 (repealed by the Law on the amendment of the Law on the Control of Drugs, which promulgated by Royal Code No. N/RKM/0505/014 dated on 9 May 2005.

³⁶ Article 71 (repealed by the Law on the amendment of the Law on the Control of Drugs, which promulgated by Royal Code No. SN/RKM/0505/014 dated on 9 May 2005.

The passage across the territory of the Kingdom of Cambodia of narcotic plants or substances, currencies and instruments which have affects on currencies as provided for under this law which are dispatched/transferred illegally or which are suspected that are illegal and which a competent authority has known of land follows up to control and take records of the offenses as stated in the articles 32.1 to 33, articles 37.2 to article 37.4, article 38.1 and article 38.2 may be authorized in order to follow up and find out the identification of those persons who are involving in such offenses, for prosecuting them.

May also be allowed to do for the same objective as above, the incitement by a public servant of the competent authority of control and take record of offenses/crimes, to sell illegally of narcotic plants, substances, even directly or through any person who follows instruction of such public servants.

The incitement to buy illegally of narcotic plants and substances by a public servants of the competent authority of controlling and taking records of offenses/crimes as provided for in this law, shall be prohibited, otherwise, such civil servant shall be charged with incitement as provided for in the article 41 and as to the investigation shall be considered as null and void, even if such public servant has committed it by himself/herself or through any person.

Article 72:

A decision to authorize the use of method of delivery under supervision or a method of illegal sale, shall be made by an authority which is appointed through a Proclamation (Prakas) of the Minister of Justice or of a delegate assigned by Minister of Justice for each case. And if it is to be done, shall base on the agreement with other countries which have interest in this matter. Decision to use of method of delivery under supervision shall be notified immediately to the competent court of the place which is presumed as a place of sending in and out of the territory of the Kingdom of Cambodia in a one hand, and in the other hand, shall also be notified immediately to the competent court of the place which is presumed as a place of delivery or place of sending out.

Decision to authorise the use of method of incitement for illegal sale, shall immediately be notified to the competent court of the place which is presumed as a selling place.

Article 73:

The Authority which is appointed by the Proclamation (Pra kas) of Minister of Justice or his/her delegate, directs and supervises the operation on the territory of the Kingdom of Cambodia and orders to intervene when such authority deemed appropriate. If there is agreement from other countries which have related interests or eventually basing on financial agreement, such authority or its delegate may decide to lay ambush to intercept for seizure of objects which are dispatching/transferring illegally and may allow to go on dispatching/transferring them ahead as they are or after seizure of the

currencies, instruments which have affects to currency, plants or substances and, eventually, by substituting them by other products.

Section 7 Observation

Article 74:

The prosecutor or investigating judge, when after the case has reached him/her, may :

- 1- Place under control of the bank accounts and other accounts which are considered as bank accounts,
- 2- Place under control and listening of telephone lines,
- 3- Inspect the computer systems,
- 4- Require to provide all authentic or private papers and all financial and commercial banking documents. When there is enough evidence to prove that these accounts, telephone lines or computers systems are used or may be used by those persons who are suspected of committing or who have committed any of the offenses as stated in the chapter X and XI, or if those papers or documents are related or may be related to anyone of the above offenses.

The above measures cannot be considered as violation of confidentiality of profession.

The placing of telephone lines under control and listening may be allowed only for a period of less than two months. Any extension of this measure, can be permitted only by the investigating judge who is holding this case.

³⁷**Article 75:**

Without yet taking into account of those punishments due for offenses as provided in the chapter X and XI, shall be punished to imprisonment from 1 (one) year to 5 (five) years for:

- a) any person, who has known through the exercise of her/his business of any measure as provided in the Article 74 above and who has voluntarily told it to the persons involved;
- b) any person who provides to the court or to the competent officers with the letter or documents as stated in sub-paragraph 4 of Article 74 above whilst upon he/she has known that these documents had been partly removed or false documents, but she/he had not reported it for authority to know.

In addition to imprisonment, the offender may be liable to a fine from 2,000,000 (two million) riels to 10,000,000 (ten million) riels.

³⁷ Article 75 (repealed by the Law on the amendment of the Law on the Control of Drugs, which promulgated by Royal Code No. SN/RKM/0505/014 dated on 9 May 2005.

Section 8
Ban from taking confidentiality
of the Bank as pretext for refusing
to provide evidence and statements of witnesses

Article 76:

Confidentiality of the bank may not be taken as pretext for refusing to provide evidence or statement of witnesses of the facts which may be susceptible for any offense as stated in the chapters X and XI.

CHAPTER XIX

TEMPORARY CLOSURE

³⁸**Article 77:**

In case of prosecution for any offense as provided in Articles 32-1, 32-2, 33, 34, 35-1, 35-2 (sub-paragraph a and e of paragraph 1) Articles 37-1, 37-2, 37-3, 37-4, 37-5, 37-6, and 38-1, 38-2, the court or investigation judge may order to close down for temporary for a period of not exceeding 6 (six) months of those hotels, furnished rented houses, boarding houses, drinking shops, restaurants, recreation clubs, dancing, entertainment places or their annexes or any place which is opened for the publics or for use by the publics or where the offenses are committed by businessmen or by their conspiracy. This closure may be extended under the same form, for a period not exceeding 6 (six) months.

All the decisions as provided for in paragraph above shall be implemented immediately even if there is an appeal complaint.

CHAPTER XX

ON THE PARTICIPATION INTO THE PROCEDURAL CASES

Article 78:

Those persons who are accused of any of the offenses as stated in chapters X and XI and who are staying on the territory of the Kingdom of Cambodia, shall be compelled by all lawful means to participate in the criminal procedure which concerned with them.

CHAPTER XXI

PROVISIONS ON IMPLEMENTATION OF THE SENTENCE

Section 1

³⁸ Article 77 (repealed by the Law on the amendment of the Law on the Control of Drugs, which promulgated by Royal Code No. SN/RKM/0505/014 dated on 9 May 2005.

Ban from staying on the territory of the Kingdom of Cambodia

³⁹Article 79:

The decision which is made to ban any alien from staying on the territory of the Kingdom of Cambodia in compliance with point A, paragraph 1 of article 60, will lead to an expulsion of the convicted person from the country, after the latter has served the sentence in the prison.

In case of banning from staying for definitively on the territory of the Kingdom of Cambodia, this measure cannot be cancelled in any later.

Section 2 Physical forced imprisonment

⁴⁰Article 80:

The period for the physical forced imprisonment shall be determined for 2 years, if upon the fine and forfeit penalty has been decided for any of the offenses as stated in the articles from 31 to 40, or for any offenses related to the customs which amount exceeds 10,000,000 (ten millions) riels.

Section 3 Accumulation of punishment terms

⁴¹Article 81:

If, under the same procedure, an accused person is found guilty for many offenses/crimes in which includes one of the offenses as stated in the articles from 31 to 40, such person shall undertake to serve all the punishments for all the above offenses which have been sentenced, and his/her imprisonment terms shall be accumulated to an extent that these terms should not exceed the maximum of the highest punishment term.

If, in separate procedures, an accused person is sentenced for many offenses, in which there is one of the offenses which is as stated as above, and, if the facts which leads to any punishment take place before another punishment become definitive, such a person shall undertake to serve all punishments for all the offenses as decided, and his/her imprisonment terms shall be accumulated to an extent that they should not exceed the maximum the highest punishment term.

³⁹ Article 79 (repealed by the Law on the amendment of the Law on the Control of Drugs, which promulgated by Royal Code No. SN/RKM/0505/014 dated on 9 May 2005.

⁴⁰ Article 80 (repealed by the Law on the amendment of the Law on the Control of Drugs, which promulgated by Royal Code No. SN/RKM/0505/014 dated on 9 May 2005.

⁴¹ Article 81 (repealed by the Law on the amendment of the Law on the Control of Drugs, which promulgated by Royal Code No. SN/RKM/0505/014 dated on 9 May 2005.

CHAPTER XXII

PROVISIONS ON KEEPING OR DESTRUCTION OF THE SEIZED PLANTS AND SUBSTANCES

Section 1 Fabrication and conditions to retain the seals

Article 82:

In all cases as stated in Chapters X and XI and Articles 98 and 99, the stupeficients, psychotropic substances and those substances that are for producing drugs, shall be seized and put in packages, boxes or cases and sealed from the time they are found.

Sealed packages , boxes or cases, must be well protected in order to prevent the plants and substances inside them from being stolen.

Each sealed package, box or case shall be marked with a serial number on it and on the envelop of such package or on the sealed slip with mention of the type, weight of the plants and substances in it and the number of packages in which there are plants and substances. A minutes shall be made up immediately specifying the days, months, years (date), places and time of the finding by indicating the plants and substances which are seized, the weight and weighing method which is used and also the analyzing test and its results, if any. Such minutes shall mention also of the number of the sealed packages and other things as stated above.

In the minutes shall also mention of the places where sealed packages, boxes or cases are brought and kept and other useful remarks.

Minutes and notes written on each package, box or case, shall be signed by those persons who involved in preparing them.

Sealed packages, boxes or cases, shall be/ preserved in appropriate conditions, in order to prevent them from being stolen or fraud. When upon moving such sealed packages or cases to somewhere else any time later, shall make up a minute thereof, by indicating the location where they are brought to and the subject of such movement.

In this minutes shall record whether the seal and all the packages are still remaining in good condition or not, and whether their numbers are the same as what stated in the minutes of seizure or there is any loss or damage to the seal or any change from its original state.

Section 2 Taking out for samples

Article 83:

Court authorities have competence to draw out samples immediately from at least 3 packages or at necessary quantity, in front of the persons involved with the offense or, if no such persons are present, in front of two (2) witnesses, in order to be as evidence and as specimen of the seized plants or substances. Each sample shall be put in a sealed package. On the package or on the attached slip of the seal, shall be marked the types and weights of the objects which are inside it. When after taking out the samples, the original package shall be closed and re-sealed, then shall made up a minutes thereof by stating of the number of samples which have been drawn out, type and weight of the plants or substances contained in each package as well as the change of the seal from its original state.

On the minutes and all the inscriptions on each sample and on the re-sealed slip, shall be signed by all the persons who are present during the operation of drawing out the samples.

Section 3 Expertise

Article 84:

An expertise shall be carried out as soon as possible after the seizure by experts recognised by the Ministry of Justice, in order to identify the types, composition and proportion of the active materials of the plants and substances which are seized, in order to avoid damages or decreases of materials and chemical elements of these objects. The experts shall indicate in their reports of the number of samples which have been delivered, the type of plants and substances existed in each sample, number of samples which have been already used for the expertise, and if any, shall also state of the number of samples left which are collected back after the expertise, and any change on those samples.

Section 4 Delivery and destruction of the seized substances

⁴²Article 85:

Except only in case when it is absolutely indispensable to preserve the seized plants or substances for the court proceedings, after seizure or taking out the samples, the court authorities shall give orders and manage to implement immediately the followings:

- a) delivery of the usable medicine to the Ministry of Health;
- b) delivery of the plants and substances that are usable in the pharmaceutical industry or for other purposes to the Ministry of Health;
- c) complete destruction of all plants and other substances, shall be carried out immediately and with most appropriate means, in front

⁴² Article 85 (repealed by the Law on the amendment of the Law on the Control of Drugs, which promulgated by Royal Code No. SN/RKM/0505/014 dated on 9 May 2005.

of a commission which will be established by a Prakas (proclamation) of the Ministry of Justice.

In the case when it is absolutely necessary to preserve the plants and substances for the court proceeding, their delivery or destruction shall be carried out as soon as possible, after a decision for confiscation becomes final.

Delivering and destructing must inspect and take record in a minute by indicating precisely of the seals, which are delivered or destroyed.

The slips of the seals or inscriptions on the packages must be enclosed as annexes to the minutes which shall be signed by all the persons who are participating or who are present in the above delivery or destruction process.

In case of serving for the research or investigation fields, competent institutes have authority to request plants or substances for keeping in appropriate limitation and requirement. The court has authority to make the decision after requesting.

CHAPTER XXIII

PROVIDING MINORS WITH POISONOUS CHEMICALS TO INHALE

⁴³Article 86:

- 1- Any person, who is clearly aware of the affects, but still provides minors to inhale any poisonous chemical, which is listed in the Prakas (declamation) of Ministry of Health, shall be punished to imprisonment from 1 (one) year to 5 (five) years. In addition to imprisonment, the offender may be liable to a fine from 2,000,000 (two million) riels to 10,000,000 (ten million) riels.
- 2- Shall be punished to imprisonment from 5 (five) years to 10 (ten) years and shall be fined from 10,000,000 (ten million) riels to 20,000,000 (twenty million) riels, if the offense is carried out in one of the following circumstances:
 - a) repeated offenses;
 - b) to many persons;
 - c) result in serious dangers of illness.

⁴³ Article 86 (repealed by the Law on the amendment of the Law on the Control of Drugs, which promulgated by Royal Code No. SN/RKM/0505/014 dated on 9 May 2005.

CHAPTER XXIV

MEASURES AGAINST THE ABUSE OF DRUGS

Section One General Provisions

Article 87:

An abuse of drugs and illegal use/consumption of drugs means the use/consumption of prohibited drugs or also of other drugs, which are under control on the territory of the Kingdom of Cambodia, out of medical prescription.

Drug addicts are persons who are subordinated themselves physically and mentally to drugs, it means that they cannot abstain drugs that are under control on the territory of the Kingdom of Cambodia.

The treatment for detoxication of poisonous substances is a treatment to eliminate the physical subordination to drugs.

Article 88:

The abuse of prohibited drugs and the use/consumption out of medical prescription of any other drugs which are under control, shall be prohibited on the territory of the Kingdom of Cambodia.

Section 2 Measures for treatment

⁴⁴**Article 89:**

An addict of poisonous substance who enters by himself/herself in a hospital or any specialised agency or any clinic to ask for treatment, such hospital, agency or clinic shall undertake to keep confidentiality, if so requested by the concerned person. Expenses for the medical treatment in the hospital or specialised agency or state clinic shall be entirely the burden of the State.

Any person who has received medical treatment under condition as stated in the para above, may request to the hospital or body which provides the treatment to issue him/her a certificate which mentions the name, date, duration and subject of the treatment.

Officers, who implement the measures for treatment and rehabilitation, shall not be accused of his/her activities, which conducted in the right of treatment and rehabilitation methods for drug addicts.

⁴⁵**Article 90:**

⁴⁴ Article 89 (repealed by the Law on the amendment of the Law on the Control of Drugs, which promulgated by Royal Code No. SN/RKM/0505/014 dated on 9 May 2005.

Prosecution shall not be made against any person who has committed offenses as stated in the article 98, para.2 and who had appeared by himself/herself for the treatment, before being prosecuted.

⁴⁶Article 91:

The prosecutor may summon those persons who committed offenses as provided for in article 98, para.2 to appear before the court within a period of not less than one month and not exceeds six months, and may make out an order to these concerned persons to show up within eight days in any detoxicating establishment as stated in article 89 for receiving proper treatment in accordance with their respective health conditions. The prosecutor shall notify to the relevant detoxicating establishment of such decision.

If such person does not show up in the detoxicating establishment or evades from the treatment prescribed by such establishment, the court shall apply the provision of the article 94 against such person.

If such person has complied with the order and undertook the treatment for all long up till the end, or if such person has continued with the treatment regularly, the court may declare the omission of punishment.

Article 92:

A person who is charged with an offense as stated in article 98, if upon examination it is found out that such person is addicted of poisonous substance, the court may decide to compel him/her to undertake an appropriate treatment measure in accordance with his/her health condition, during the implementation of the procedure.

If that person has undertook the treatment up till the end, the court may decide to only issue a warning.

Article 93:

Addicts of poisonous substances who are punished for offenses as stated in article 98, paragraph 2, may voluntarily request for medical treatment in accordance with their respective health conditions, after the court pronounced a sentence. In this case, the execution of the punishment shall be suspended temporarily. Those concerned persons who have undertaken the treatment until the end, shall be considered as having already served the punishment.

⁴⁵ Article 90 (repealed by the Law on the amendment of the Law on the Control of Drugs, which promulgated by Royal Code No. SN/RKM/0505/014 dated on 9 May 2005.

⁴⁶ Article 91 (repealed by the Law on the amendment of the Law on the Control of Drugs, which promulgated by Royal Code No. SN/RKM/0505/014 dated on 9 May 2005.

The punishment shall be re-applied immediately if the convicted person refuses to undertake the treatment or refuses to undertake the treatment until the end.

⁴⁷Article 94:

Any person, who evades from the treatment as stated in Article 91, and Article 95, 96, and 97 shall be punished to imprisonment from 7 (seven) days to 1 (one) month or with a fine from 25,000 (twenty five thousand) riels to 100,000 (hundred thousand) riels.

Article 95:

The civil court which has received a complaint filed by the spouse or parents or relatives of the concerned person, or from the prosecutor who sued to the civil court that the concerned person who is an addict of poisonous substances is known as dangerous for others, may force such concerned person to stay in a hospital or any specialized organisation as stated in article 89 for treatment.

Article 96:

If an addict of poisonous substance commits an offense which is not serious enough to be sentenced to prison and if such person has never been sentenced to imprisonment with or without suspension of punishment during the past 3 years, the court may then decide not to punish him/her, but must compel such person to go for a treatment.

Article 97:

An addict of poisonous substances who was sentenced by the court to more than six months in prison, but with no suspension of punishment for other offenses, the court may compel them to undertake a measure of medical treatment.

Section 3 Suppressive Measures

⁴⁸Article 98 :

⁴⁷ Article 94 (repealed by the Law on the amendment of the Law on the Control of Drugs, which promulgated by Royal Code No. SN/RKM/0505/014 dated on 9 May 2005.

⁴⁸ Article 98 (repealed by the Law on the amendment of the Law on the Control of Drugs, which promulgated by Royal Code No. SN/RKM/0505/014 dated on 9 May 2005.

Without yet taking into account of the provisions of the Articles 31 to Articles 37.6, any person, who violates the law by storing, purchasing, or planting intentionally for his/her personal consumption of narcotic plants or substances, which are considered as addicted drugs or psychotropic substances, shall be punished to imprisonment from 7 (seven) days to 1 (one) month.

Any person, who consumes illegally of narcotic plants or substances, which are considered as addicted drugs or psychotropic substances, shall be punished to imprisonment from 7 (seven) days to 1 (one) month.

In addition to imprisonment, the offender may be liable to a fine from 25,000 (twenty five thousand) riels to 100,000 (hundred thousand) riels.

In case of recidivism or if the offender is a person who exercises profession in the field of health management and health care, the above punishment terms shall be double.

In contrast, if in a circumstance when the grounds for any offense as stated above has been committed by only a very small quantity and was consumed as usual habit, the prosecutor may acquit such offender from charges. If such case has reached the court, the chief judge of the court may decide to acquit such principal of the offense from punishment or to give only a warning to such person. Shall be considered as usual habitual consumption, the consumption that does not cause addiction and those who consume are villagers who used to consume since long time before following what practiced by their ancestors.

⁴⁹Article 99:

- 1- Any person, who is driving vehicle on land traffic, waterways, or airways, when he/she is being under influence of drugs which has narcotic substances that she/he had consumed it illicitly and which result in dangers, even if there is no appearance from the outside, which shown of his/her addition, shall be punished to imprisonment from 1 (one) month to 1 (one) year. In addition to imprisonment, the offender may be liable to a fine from 200,000 (two hundred thousand) riels to 2,000,000 (two million) riels.
- 2- In case of when causing injuries to the body, healthy, or resulting in serious danger to the lives, shall be punished to imprisonment from 1(one) year to 3 (three) years. In addition to imprisonment, the offender may be liable to a fine from 2,000,000 (two million) to 6,000,000 (six million) riels.
- 3- Any person, who refuses to be tested for drug addict, shall be punished to imprisonment from 7 (seven) days to 1 (one) month or with a fine from 25,000 (twenty five thousand) riels to 100,000 (hundred thousand) riels.

⁴⁹ Article 99 (repealed by the Law on the amendment of the Law on the Control of Drugs, which promulgated by Royal Code No. SN/RKM/0505/014 dated on 9 May 2005.

CHAPTER XXV

INTERNATIONAL CO-OPERATION

Section 1

Common Provisions on Extradition and Mutual Assistance in judicial field.

Article 100:

In case there is no Extradition Treaty and Mutual Assistance in judicial field, the offenses as stated in the Chapters X and XI, it is to comply with the provisions of Chapter XXV which can also be applicable on matters which has not provided by the Treaty.

Article 101:

The Royal Government of the Kingdom of Cambodia, will not consider the offenses stated in the above article either as fiscal or political offenses or as offenses based on political grounds, to refuse to extradite of the principals of those offenses or to refuse to mutually assist in the investigation, prosecution of criminal charges and in the court procedure for these above offenses.

Section 2 Extradition

Article 102:

Conditions, procedure and results of the extradition with regards to the offenses which are especially stated in the Chapters X and XI, shall be determined in the provisions of Chapter XXV of this Law.

Article 103:

Extradition may be refused by the Royal Government of the Kingdom of Cambodia, if the court authority of Cambodia thinks that this measure can facilitate to the prosecution or inflict criminal punishment against any person based on the grounds of race, religion, nationality or his/her political opinion.

Article 104:

Except when there is a mutual agreement or negotiations with the requesting State, the Royal Government of Cambodia refers the case to its competent court authorities to proceed a hearing on the public action, if the Royal Government refuses to extradite for the reasons of:

- the offense was committed on the territory of the Kingdom of Cambodia or on board of a ship flying a Cambodian flag or on board of an airplane bearing identification number in conformity with the Cambodian laws in force, at the time when the offense takes place ,
- the offense is committed by a Khmer citizen, or
- the person who is presumed to have committed such offense is on the territory of the Kingdom of Cambodia.

Article 105:

If the Royal Government refuses to extradite as what requested in order to implement a punishment as what was sentenced for any of the offenses as stated in Chapter X and XI for the reason that the convicted person is a Khmer citizen, and if such requesting State demands to the Royal Government of Cambodia to manage to implement itself such punishment or its remainder, the Royal Government shall then transmit such request to the Ministry of Justice in order to examine to ensure of the regularity of the complaint and of its conformity with the stipulation of the legislation of the Kingdom of Cambodia and after this to make decision according to the law. If the punishment term which had been sentenced according its type or duration, is more rigorous than what provided for in the Cambodian Law for the same case, the court of the residence or place of detention of the convicted person, following a complaint made by such convicted himself/ herself or by the prosecutor, shall substitute it with a punishment term which is more consistent with Cambodian law or shall reduce the sentenced term pronounced by the foreign court down to the maximum punishment term as stated by the Cambodian law.

Article 106:

If the circumstance requires and in urgent case, the prosecutor may order for temporary arrest a foreigner, simply after reception of an information which is sent directly to him/her by all available means of transmission, which left a written proof that the court at the requesting State has made out an order for an arrest or punishment of such concerned person for commission of any of the offenses as stated in the Chapter X and XI. The prosecutor informs of such arrest to the Minister of Justice.

The person who is temporary arrested under the above condition, may be released if within a period of twenty (20) days after the arrest no official request for extradition is received by the Royal Government.

Article 107:

The Royal government of Cambodia may agree to extradite after having only seen a request for the temporary arrest, if the person to be arrested has agreed in writing in front of the prosecutor that he/she be extradited immediately to his /her country of origin.

Section 3

Mutual cooperation of the Judiciary

Article 108:

In the cases of offenses as stated in the Chapters X and XI, the court authority of the Kingdom of Cambodia may delegate power to the competent court authority of a foreign

State and may also receive delegation of power from a foreign State's court authority, to :

- 1- collect evidence or statements which are given according to judicial process,
- 2- inform of various court's documents,
- 3- conduct a search and seizure,
- 4- proceed an inspection of the objects and place,
- 5- provide information and material evidence,
- 6- issue the originals or copies with certification that it is in conformity with the original of a document and file case, including a Bank statement, accounting documents, company's file and business documents and other authentic or private paper documents,
- 7- show or provide witnesses, experts or other persons, including the arrested person who accepted to collaborate in the investigation process or participate in the procedure,
- 8- Transfer the criminal procedure, in case if necessary to do so, for the interest of good administration of justice,
- 9- identify and detect the resources, properties, equipment, materials and substances , in order to collect the pieces of evidence.
- 10- place under measures of temporary seizure of the products and properties obtained from the offense, as well as those equipments, materials and substances which are used or kept for use for the commission of offenses.
- 11- manage to implement a decision which orders for the confiscation of these products, properties, equipments, materials and substances,
- 12- order to confiscate of those objects which mentioned above,
- 13- notify of the prosecution in the criminal procedure,
- 14- make an inquiry of the accused person in the criminal procedure,

Conditions for requesting co-operation in judicial matters to foreign States or conditions for proceeding with the requests for co-operation in judicial matter from the foreign States, shall be determined by a Sub-Decree.

CHAPTER XXVI**CO-ORDINATION IN COMBATTING AGAINST DRUG
ABUSE AND ILLICIT TRAFFICKING OF DRUGS****Section 1****Co-ordination in combating against drug abuse****Article 109:**

The National Anti-drug Authority implements the policy of the Royal Government for combating against drug abuse.

The General Secretariat of the National Authority organizes meetings of the National Authority and lays down decisions of the National Authority for application.

Composition and function of the National Anti-drug Authority, shall be determined by a Royal Decree.

Section 2**Coordination in combating against illicit trafficking of drugs****Article 110:**

Director of the Anti-drug Service of the Ministry of Interior collects all the information which may facilitate the detection and prevention of the illicit trafficking of drugs and coordinates all the operations inside the territory as well as in the international arena to suppress the illicit trafficking of drugs.

Composition and Function of the Director of the above Service shall be determined in a Sub-decree.

CHAPTER XXVII**FINAL PROVISIONS****Article 111:**

Any provisions which is contrary to this law shall be hereby repealed./.

Phnom Penh, 24 January 1997
